November 2025

Jai Jinendra!

Since 1991, the **International Alumni Association of Shri Mahavira Jain Vidyalaya (IAAMJV)** has been committed to empowering talented yet financially challenged Jain students from all sects. Through our **grant** and **interest-free loan programs**, we have helped countless students pursue their academic goals and overcome financial barriers.

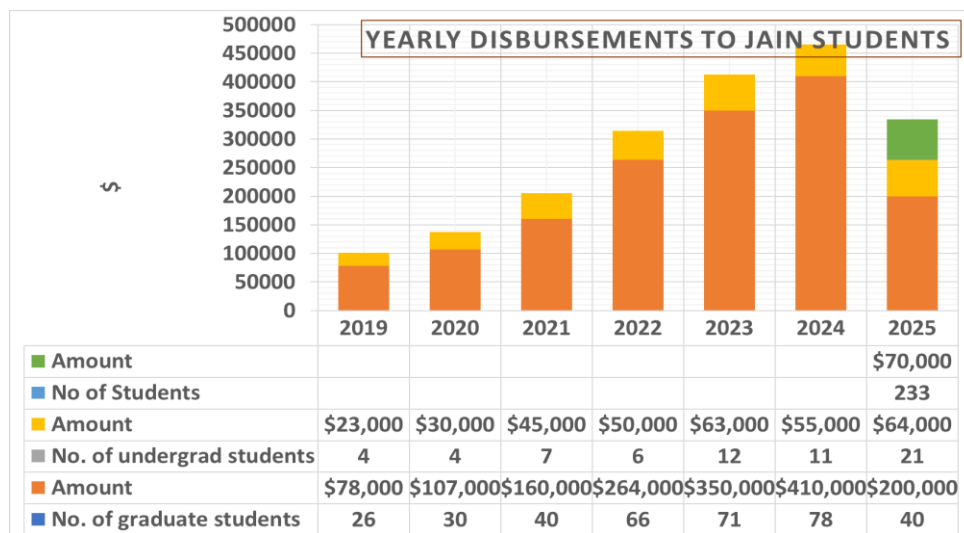

As we launch our **2025 fundraising campaign**, we invite you to join us in continuing this legacy of compassion and education. Every contribution—big or small—helps create opportunities for the next generation of scholars and leaders.

Thanks to the generosity of our community, the number of students benefiting from IAAMJV's programs has grown steadily over the years. To date, more than **2,000 Jain students** have received support to pursue higher education — transforming their futures through your invaluable contributions.

The accompanying graph illustrates this steady growth in the number of beneficiaries made possible by your continued support. This year, **2025**, we observed a **decline in students receiving loans in the USA**, while the **number of students supported in India has increased substantially**.

Enclosed, you'll find a brochure outlining **donation options**. For any questions, please feel free to contact any member of the Executive Committee or Board of Trustees.

Your generosity continues to make a lasting difference in the lives of countless students.

Warm regards,

IAAMJV-USA Executive Committee
